RELEVANT EXPERIENCE

Microverse, Remote — (Volunteering) Student Mentor

MARCH 2022 - PRESENT

- Mentoring junior web developers, providing technical support through code reviews.
- Proposing improvements to code organization to improve code quality and overall performance.
- Providing advice and tips on how to maintain motivation to maintain longevity in the program.

Frontdreams, Cyprus Remote — Web Developer

MARCH 2020 - FEBRUARY 2022

- Developed and maintained code for various client websites primarily using HTML, CSS, Sass, Bootstrap, JavaScript, WordPress, and Joomla.
- Tested sites in multiple browsers and devices to ensure cross-browser compatibility and mobile responsiveness.
- Held meetings with clients on a weekly basis, providing technological expertise and knowledge.
- Integrated stripes for payments and implemented the checkout process in addition to developing reports for orders.

Credz, Sweden Remote — Front-end Developer

JANUARY 2019 - FEBRUARY 2020

- Worked with marketing and research teams to incorporate brand elements and relevant market research findings into the company's website.
- Collaborated with a small team of 3 backend developers to spearhead the design, development, and launch of the Credz affiliate system using JavaScript and PHP.
- Proposed and implemented agile practices like code reviews, git branching, and stand-up team meetings to ensure best development practices.
- Communicated and collaborated with multi-disciplinary teams of engineers, designers, producers, clients, and stakeholders daily.
- Worked closely with designers and management team to develop, document, and manage the Credz token launch marketing website using JavaScript.

EDUCATIONAL HISTORY

Microverse, Remote — Full-stack Web Development Program

- Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.

Near East University, Cyprus — Bsc Civil Engineering

- Completed a bachelor's degree in Civil Engineering.
